A lifestyle photograph of a modern interior. In the background, a brown leather sofa with two cushions is visible. In the foreground, a dark wood coffee table holds several NCC ceramic items: a tall white cylindrical vase, a small white bowl, a white ceramic pot with a fern, and a small white cup. To the right, a white fringed cloth is draped over a surface, holding a bowl of fruit (apples, pears, and oranges), a small white ceramic pot with white flowers, and a small white cup. A red apple and a small white ceramic cup are also on the floor next to the cloth. The NCC ceramics logo is in the top right corner.
